Public Highway

"Public highway" means the traveled portion of, and the shoulders on each side of, any road maintained by any governmental entity for public travel, and includes all bridges, culverts, overpasses, fills, and other structures within the limits of the right-of-way of any such road.

Road Closures

State and federal agencies and private landowners have established road closures in key big game areas to protect deer and elk populations. Please check with regional Idaho Fish and Game, Idaho Department of Lands, Forest Service or Bureau of Land Management offices for information regarding vehicle restrictions on roads, trails, and unroaded areas.
